THE
JACKSON TOWNSHIP
SENIOR CLASS
PRESENTS
THE
1968

JACKSONIAN

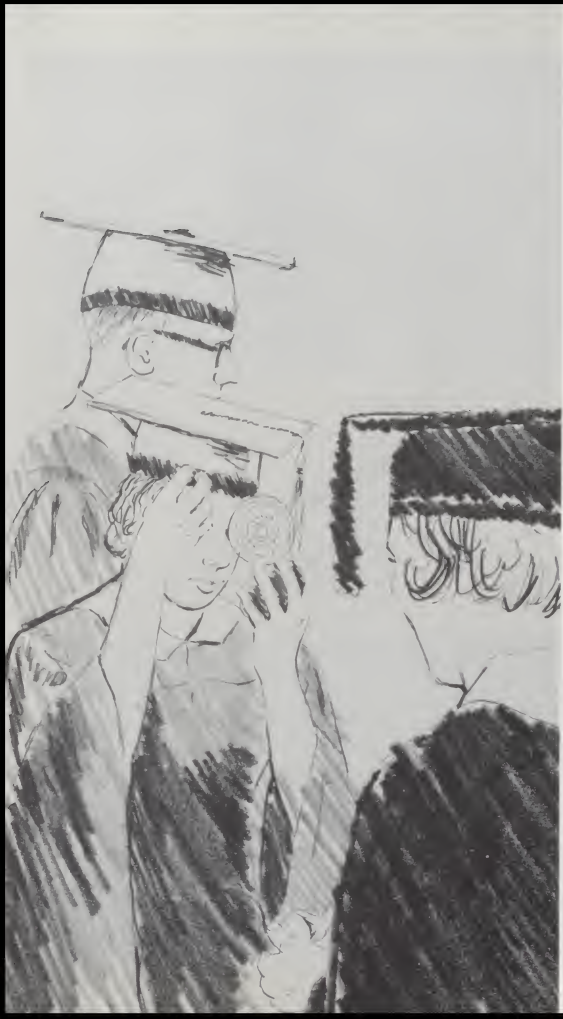

Albert D. Stealy

DEDICATION

Although being associated with the school only this first year, this man has become an integral part of the school life. Handling the grammar school as well as high school programs, he has assumed the problems of counseling and recommendation. Even under this load of work, he has been able to destroy the image of the principal being far removed from his students. Because of his interest in the development of the student and the final product of the school, we the senior class of 1968, dedicate this yearbook to our principal, Mr. Albert D. Stealy.

PORTER COUNTY TOURNEY

1968

In the year, 1968, the Panther dream almost came true. With only one minute to go in the final game, Jackson ahead by four, tragedy came with the final seconds when the victory turned into defeat. But next year will be the Year of the Panther VICTORY!

Many fans may have thought Jackson was the best team in the but they do have the best player in the form of Henry Matthis. Below picture shows Henry in his championship form.
